SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières

semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédient l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté.

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé

pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts, des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

51701—73

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000.....	600
i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000.....	800
j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante; le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé

sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. AVIS DU GOUVERNEMENT

COMMISSION D'ASSURANCE-CHÔMAGE

Extension de l'assurabilité aux hôpitaux et institutions de charité

LA Commission d'assurance-chômage étudie présentement une recommandation à l'effet d'ajouter l'emploi dans un hôpital et une institution de charité à la liste de ceux qui tombent sous le coup de la *Loi de 1940 sur l'assurance-chômage*. Cette nouvelle extension, toutefois, ne changera rien au statut des membres de congrégations religieuses ou des autres personnes qui ne travaillent pas en vertu d'un contrat de service.

Avant de soumettre au Parlement des recommandations bien spécifiques visant à obtenir une modification à la Loi à ce sujet, la Commission d'assurance-chômage invite les intéressés à faire des représentations par écrit, lesquelles devront parvenir au Secrétaire de la Commission d'assurance-chômage au plus tard le 20 février 1950. Le 24 février, la Commission tiendra une assemblée pour étudier ces représentations. Ceux qui désirent se présenter en personne, en plus de faire des représentations par écrit, sont invités à assister à l'assemblée qui sera tenue à 10 heures du matin, dans la salle des délibérations de la Commission, édifice temporaire n° 5, Ottawa.

E.-C. DÉSORMEAUX,

Secrétaire.

Ottawa, le 23 janvier 1950.

11. Where a contributor prior to becoming a contributor under this Part had service for which he made contributions under any Part of this Act, or under the Civil Service Superannuation Act, or under the Royal Canadian Mounted Police Act (other than Part IV thereof) which contributions have been repaid to him by way of a gratuity, *he may elect to count the whole or any part of such service and if he does so elect, the contributions required in respect of the whole of the said service shall be an amount equal to such gratuity together with simple interest at four per cent per annum from the date of payment of the gratuity up to the time of his election and the contribution required in respect of any part of the said service shall be that proportion of the said amount which the said part is of the whole of the said service.* A contribution made under this regulation may be made in one lump sum or in instalments of equivalent value computed on the basis prescribed in regulation seven.

12. Where a contributor immediately prior to becoming a contributor under this Part served as an officer in the forces temporarily or under a commission for a fixed term, such service shall count in full for the purposes of this Part if the amount of deferred pay at the rate of six per centum per annum withheld in accordance with the appropriate Pay and Allowance Regulations from pay and on the allowances prescribed in regulation three is transferred to the Permanent Services Pension Account by way of contributions for such service and if the amount of any gratuity under Pay and Allowance Regulations is refunded in full.

13. Where a contributor, other than a contributor to whom regulation twelve applies, prior to becoming a contributor under this Part served as an officer in the forces temporarily or under a commission for a fixed term and upon retirement received either a refund of deferred pay or a gratuity, or both, under Pay and Allowance Regulations, such service may be counted in full for the purposes of this Part if

- (a) the contributor pays to the Permanent Services Pension Account the amount of deferred pay previously refunded to him, together with four per centum per annum simple interest for the period from the date of refund of such deferred pay to the date of his election to count such service under subsection four of section forty-eight of the Act; and if
- (b) the amount of any gratuity paid under the provisions of Pay and Allowance Regulations is refunded to the Consolidated Revenue Fund, together with simple interest at four per centum per annum for the period from the date of payment to the date of election to count such service under the provisions of subsection four of section forty-eight of the Act.

The payments required under paragraphs (a) and (b) immediately preceding may be made in one

lump sum or in equal instalments as provided by regulation seven.

14. Where a contributor elects under subsection one of section forty-five of the Act to contribute for prior service in the forces of His Majesty other than those raised in Canada, as described in sub-paragraph (iii) of paragraph (i) of subsection one of section forty-two of the Act, then for the purposes of this Part he shall be deemed to have received pay for the rank from time to time held by him during his said service at the rates for said rank prescribed by the relevant Canadian regulations in effect for that rank at the date of his election and he shall be deemed to have received allowances at the relevant rates set out in regulation three.

14A. Where a contributor elects under subsection one of section forty-five of the Act to contribute in respect of prior service in the Civil Service or the Royal Canadian Mounted Police or on active service in the naval, military or air forces of His Majesty raised in Canada during time of war as described in sub-paragraphs (i) and (ii) respectively of paragraph (i) of subsection one of section forty-two of the Act, then for the purposes of this Part, the pay and allowances on which contributions, interest and, where necessary, pension, allowance or gratuity will be calculated, shall be as follows, that is to say:

(b) In respect of time served in the Royal Canadian Mounted Police; the same class or classes of pay and allowances paid to or on behalf of the contributor while serving in the Royal Canadian Mounted Police on a full time paid basis as those on which pension under the Royal Canadian Mounted Police Act would have been calculated had the contributor by reason of his service in the Royal Canadian Mounted Police, become eligible for a pension under the Royal Canadian Mounted Police Act;

(c) In respect of time served on active service at active service rates of pay with the naval, military or air forces of His Majesty raised in Canada during time of war:

(i) in the case of service with the naval forces; pay of rank or rating, command money, specialist pay, non-substantive pay, and staff pay;

(ii) in the case of service with the military forces; pay of rank, classified rates of pay, consolidated pay, command pay, trades pay, and additional pay while extra regimentally employed; and

(iii) in the case of service with the air forces; either, consolidated pay, classified rates of pay or pay of rank and group (excluding the difference between General List and Non-Flying List rates of pay, when General List rates of pay were in issue) and Command pay and Headquarters pay; and including marriage and dependents' allowances for wives and dependent children and subsistence allowance at standard rates payable in respect of service in Canada whether or not such last mentioned allowance was in fact paid; but excluding all other pay and all other allowances.

15. (1) Where a contributor elects under subsection one of section forty-five of the Act to contribute for prior non-permanent, auxiliary or reserve service as described in sub-paragraph (iv) of para-

graph (i) of subsection one of section forty-two of the Act, then, for the purposes of this Part, he shall be deemed to have received pay on a full time basis for the rank from time to time held by him during his said service at the relevant rate in effect for that rank at the date of his election and he shall be deemed to have received allowances at the relevant rates set out in regulation three.

(2) The contribution required for one-fourth of such service shall be one-fourth of the contribution which would be required if the whole of such service might be counted, and the contribution required for any part of such service less than one-fourth thereof shall be that proportion of the contribution for the said one-fourth which the said part is of the said one-fourth.

15A. Where under sub-paragraph (v) of paragraph (i) of subsection one of section forty-two of the Act, any period of service is claimed

(i) In respect of the service described in paragraph (e) of section eight of the Act, no right of election shall subsist under subsection one of section forty-five unless the contributor at the date of such election had completed not less than ten years' service in the forces.

(ii) In respect of the service described in sub-paragraph (ii) of paragraph (e) of section thirty-six of the Act, no right of election shall subsist under subsection one of section forty-five unless the contributor at the date of such election had completed not less than ten years' service in the Royal Canadian Navy.

15B. Where a contributor elects under subsection one of section forty-five of the Act to contribute for prior service as described in sub-paragraph (v) of paragraph (i) of subsection one of section forty-two of the Act, then for the purposes of this Part, the pay and allowances on which contributions, interest and, where necessary, pension, allowance or gratuity will be calculated, shall be as follows, that is to say:

(a) In respect of service referred to in paragraph (e) of section eight, sub-paragraph (ii) of paragraph (e) of section thirty-six and sub-paragraph (iii) of paragraph (d) of section thirty-nine of the Act:

(i) The pay for the rank from time to time held by him during such service at the relevant rates in effect for that rank in the forces at the date of his election together with allowances at the relevant rates set out in regulation three as if he had received said pay and allowances at said rates during the whole of such service.

(ii) The contribution required for one-half of such service shall be one-half of the contribution which would be required if the whole of such service might be counted and the contribution required for any part of such service less than one-half thereof, shall be that proportion of the said contribution for the said one-half which the said part is of the said one-half.

(b) In respect of service in the 'force' or 'Forces' as said expressions are defined in Parts I, II and III, such of the pay, and allowances in money or in kind as were paid to or on behalf of the contributor during his said service upon which pension would have been calculated had he become eligible for a pension under Parts I, II and III of the Act.

(c) In respect of the service referred to in paragraph (f) of section eight, and paragraph (f) of subsection three of section fourteen; the pay and allowances paid to or on behalf of the contributor during such service.

15C. Where a contributor has service in the forces as is mentioned in subsection two of section forty-eight of the Act, the pay and allowances on which shall be calculated the deductions therein mentioned shall be such of the pay and allowances as were paid in money or in kind to or on behalf of the contributor during his said service upon which pension would have been calculated had he become eligible for a pension under Parts I, II and III of the Act.

15D. The period during which a contributor, under the Civil Service Superannuation Act, was absent on leave from the Civil Service in active or full time service in the forces as defined in subsection four of section seven A of that Act and in respect of which no contributions were made by him shall not be reckoned as time served in the Civil Service for the purposes of this Part.

LEAVE OF ABSENCE

16. (1) No duly authorized period of absence on leave without pay and allowances shall be counted as a period of service for computing the length of the contributor's service on which pension, allowance or gratuity will be based, unless the contributor makes the contributions for such period of absence at the rates prescribed by section forty-four of the Act.

(2) Contribution under this regulation shall be computed upon the basis of the pay and allowances of the rank or appointment which the contributor held immediately prior to his absence on leave, except that, if during the period of leave of absence his rate of pay and allowances is increased by reason of promotion in rank or appointment, the contributions shall be computed upon the basis of the increased rate of pay and allowances as from the date on which it became effective.

(3) Contribution under this regulation shall be paid monthly during such period of absence to the Receiver General of Canada through the Minister of National Defence or in such manner as the Governor in Council on the recommendation of the Treasury Board may prescribe.

16A. (a) No continuous period of absence without leave, in a state of desertion, in civil custody, while undergoing punishment of cells, detention, or imprisonment, or any continuous combination of such periods exceeding ninety (90) clear days shall be counted as service under this Part, and contributions shall not be deducted for such periods.

(b) A period of absence without leave, in a state of desertion, in civil custody, while undergoing punishment of cells, detention or imprisonment, or any continuous combination of such periods if ninety (90) clear days or less shall count as service under this Part.

(c) For the purpose of making contributions and of computing a pension, retiring allowance or gratuity, a contributor to whom sub-paragraph (b) above is applicable shall be deemed to have been in receipt of pay and allowances during the periods referred to in sub-paragraph (b) above, including time awaiting trial, at the same rate as that which was prescribed for the rank or appointment held by him immediately prior to the commencement of the said period except that if during such period his rate of pay and allowances is increased for any reason then such increased rate as from the date it became effective shall be deemed to be the pay and allowances of which he was in receipt.

17. A contributor who has been absent on leave without pay and allowances shall for the purpose of computing a pension, retiring allowance or gratuity, be deemed to have been in receipt of pay and allowances during the said period of absence at the same rate as that which was prescribed for the rank or appointment held by him immediately prior to his absence on leave, except that,

(a) if during such period of leave of absence his rate of pay and allowances is increased by reason of promotion in rank or appointment, then such increased rate as from the date it became effective shall be deemed to be the pay and allowances of which he was in receipt; and

(b) any such contributor shall be deemed to have been in receipt of pay and allowances during any such period of leave of absence only to the extent that he has paid contributions in respect of such period.

PENSIONS, ALLOWANCES AND GRATUITIES

18. (1) No pension, allowance or gratuity shall be granted under this Part unless the Minister charged with the direction and control of the force, in which the person to or in respect of whom such pension, allowance or gratuity is to be granted is a member, reports

(a) that the member of the forces is a contributor under this Part, is eligible to be granted the said pension, allowance or gratuity for any cause specified in this Part and that the granting thereof is in the public interest and in consideration of good and faithful service during the period in respect of which it is computed; or

(b) that, where the allowance or gratuity is to be paid to a widow, children or dependents of a deceased member of the forces, the deceased was a contributor under this Part, the granting thereof is in the public interest and in consideration of good and faithful service during the period in respect of which it is computed.

(2) a recommendation for the grant of a pension retiring allowance, gratuity or withdrawal allowance shall be accompanied by a statement in the form prescribed from time to time by the Treasury Board. A recommendation for the grant of a pension or retiring allowance shall be supported by proof of date of birth of the member of the forces to or in respect of whom the pension or retiring allowance is to be granted. A recommendation for the grant of a pension, retiring allowance or gratuity shall be pre-audited by the Auditor General.

(3) Where the granting of an allowance to the widow, children or dependents of a contributor is recommended, there shall be annexed to the recommendation

(a) proof of death of the contributor,

(b) a marriage certificate or a notarial copy thereof, of the contributor,

(c) birth certificates of the widow and dependents, if any, or notarial copies thereof,

(d) a declaration as to worthiness of the person to whom it is proposed to grant the pension, allowance or gratuity, from a minister of a religious denomination or sect or from a medical practitioner in the form of schedule 'A' annexed, or if the said declaration is unobtainable, such other evidence as to worthiness as the Treasury Board may require, and

(e) any other document that the Treasury Board may require.

19. For the purpose of computing pensions, allowances or gratuities under this Part, a period of service

equal to or greater than fifteen days shall count as one month; a period of less than fifteen days shall not be counted.

20. For the purposes of section forty-seven of the Act the average pay and allowances received by a contributor during the last six years of his service in respect of which he has made contributions shall be taken as one-sixth of the pay and allowances for the rank or appointment from time to time held by the contributor during the last seventy-two months of his service in respect of which he has made contributions.

21. An allowance granted to the widow or child of a deceased contributor may be granted as from the day following the date of death of the contributor.

22. Allowances or gratuities granted to the children of a contributor shall be paid, for their exclusive benefit, to the legal guardian of such children, if one has been appointed; or if there be no legal guardian then to such person, preferably the widow of the contributor, as the Treasury Board may designate.

23. The provisions of section thirty-four A of the Militia Pension Act shall apply for the purpose of obtaining the opinion of the Canadian Pension Commission, in connection with any matter submitted to the Treasury Board in accordance with section fifty-four of the Act relating to the capacity of any person to expend a pension or allowance or the propriety of the expenditure thereof.

24. (1) If a contributor dies while in the forces and leaves no widow and no child under the age of eighteen years, such an amount as the Treasury Board may determine but not exceeding the amount of the contributions made by the contributor under the provisions of this Part without interest, may be apportioned among the dependents of the contributor in such proportions as the Treasury Board may deem just and equitable in the circumstances.

(2) The question as to whether and to what extent the widow, father, mother, step-father, step-mother, brother, sister or child of a contributor is dependent upon the contributor for support shall be in the final decision of the Treasury Board.

25. If a contributor marries after the coming into force of this Part and if his age exceeds the age of his wife by twenty years or upwards, the allowance to such wife under this Part shall be reduced in the proportion that the value of a life annuity as at an age twenty years less than the age of the contributor at the time of his death is of the value of an equal life annuity as at the then actual age of the wife. For the purposes of this regulation the values of life annuities shall be computed on the basis of the Canadian Life Table No. 2 (1941), Females, and interest at the rate of four per centum per annum.

26. (1) If a pension or an allowance granted under this Part ceases by reason of death, payment shall be made in full for the month in which death occurs.

(2) If an allowance granted under this Part to a widow or child ceases by reason of re-marriage or by reason of a child attaining the age of eighteen years, the payment for the month in which re-marriage or the attainment of age eighteen years occurs shall be made only for the proportion of the month elapsed at the time of the re-marriage or attainment of the age of eighteen years, including the day on which re-marriage or the attainment of age eighteen years occurs.

RE-ENLISTMENT OR RE-APPOINTMENT

27. (1) Payment of Pension or retiring allowance under this Part to a person who has been re-appointed to or re-enlisted in the forces, or to the public service, after retirement, shall be discontinued during the period of such re-appointment or re-enlistment.

(2) A person who has been granted a pension or retiring allowance under this Part and thereafter becomes a member of the forces (and is dealt with on the basis of the next preceding paragraph of this regulation) in this regulation referred to as a "pensioner contributor", shall, when eligible, on his subsequent retirement from the forces, be retired with a pension or retiring allowance calculated in accordance with the terms of this Part, on the basis of service from the date of his re-appointment or re-enlistment, and of pay and allowances for the last seventy-two months of his service, as computed in the manner prescribed by regulation twenty of these regulations, and such pension or retiring allowance shall be payable in addition to the pension or retiring allowance granted when first retired.

(3) If the period of additional service of a pensioner contributor is less than seventy-two months, then for the purpose of computing his average pay and allowances under this regulation there shall be added to his additional service such number of months of his service performed immediately prior to retirement on pension or allowance as will, together with his service as a pensioner contributor, make up a period of seventy-two months, and his average pay and allowances shall be computed by reference to the pay and allowances received by the pensioner contributor during the said last mentioned period of seventy-two months.

(4) Notwithstanding anything contained in this regulation, the total amount of the service on which pension or allowance and the augmentation provided for in this regulation is based, shall not exceed thirty-five years.

27A. Where a person was a member of the forces on 31st March, 1946, and who did not elect to become a contributor under this Part, is retired or discharged from the forces and who, subsequent to 31st March, 1946, is re-appointed to or re-enlisted in the forces, this Part shall apply to him on such re-appointment or re-enlistment.

THAT through a misunderstanding this work was not recorded upon the claims within the time allowed by the Regulations for recording such excess work.

The Minister, therefore, recommends that pursuant to the Dominion Lands Act, Revised Statutes of Canada, 1927, chapter 113, and notwithstanding the Northwest Territories Quartz Mining Regulations, authority be granted for the Mining Recorder of the Yellowknife Mining District to accept applications for Certificates of Work from the said Partnership and to issue Certificates of Work for 75 per cent of the value of the excess work performed upon the said group of mineral claims, namely \$6,495.00, subject to the condition that the Territories Exploration and Drilling Partnership comply with section 68 of the said Regulations.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements

qui s'y relie—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français.

Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES
TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale,

l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit :

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté.

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre

genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examineur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

- a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache \$ 100
- b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session 100
- c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session 200
- d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000.... 100
- e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000..... 200
- f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000..... 300
- g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000..... 400
- h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000..... 600
- i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000..... 800
- j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million 200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de réviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été éla-

borés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qui renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

(8) The additional charges provided for in this Standing Order shall also apply to Private Bills originating in the Senate; provided, however, that if a petition for any such Bill has been presented in this House within the first six weeks of the session, the additional charges made under paragraph (b) or (c) of subsection (3) shall not be levied thereon.

ORDERS IN COUNCIL

P.C. 6578

*Certified to be a true copy of a Minute of a Meet-
ing of the Committee of the Privy Council,
approved by His Excellency the Governor
General on the 5th January, 1950.*

THE Committee of the Privy Council have had
before them a report dated 21st December, 1949,
from the Minister of Mines and Resources, repre-
senting:

THAT Territories Exploration and Drilling Partner-
ship was the recorded owner of mineral claims
"GAB" 7 to 28 inclusive situated in the Yellow-
knife Mining District of the Northwest Territories;

THAT the mineral claims were grouped under the
Northwest Territories Quartz Mining Regulations;

THAT Mr. George Bleiler, the Agent for the said
partnership has sworn that during the months of
October and November of the year 1947 a total of

1,299 feet of diamond drilling valued at \$8,660.00 was
completed on the claims;

THAT through a misunderstanding this work was
not recorded upon the claims within the time allowed
by the Regulations for recording such excess work.

The Minister, therefore, recommends that pur-
suant to the Dominion Lands Act, Revised Statutes
of Canada, 1927, chapter 113, and notwithstanding
the Northwest Territories Quartz Mining Regula-
tions, authority be granted for the Mining Recorder
of the Yellowknife Mining District to accept appli-
cations for Certificates of Work from the said
Partnership and to issue Certificates of Work for
75 per cent of the value of the excess work per-
formed upon the said group of mineral claims,
namely \$6,495.00, subject to the condition that the
Territories Exploration and Drilling Partnership
comply with section 68 of the said Regulations.

The Committee concur in the foregoing recom-
mendation and submit the same for approval.

N. A. ROBERTSON,

3-4

Clerk of the Privy Council.

held under lease by the same parties;

That the said claims lapsed on December 26, 1949,
in accordance with the provisions of Subsection (2)
of section 52 of the Northwest Territories Quartz
Mining Regulations; and

That the owners are elderly men and that the
lapsing of the claims was due to the neglect of
their agent;

THEREFORE His Excellency the Governor General

sions of the Dominion Lands Act, Revised Statutes
of Canada, 1927, chapter 113, is pleased to authorize

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des

signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la Gazette du Canada seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la Gazette du Canada ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou

d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES
TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté.

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une

compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000.....	600
i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000.....	800
j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au

mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

STATUTORY ORDERS AND REGULATIONS

Consolidation, 1949

A Consolidation of statutory orders and regulations made or issued under the Statutes of Canada, which will contain all statutory orders and regulations in effect on December 31st, 1949, is now being prepared and will be available for distribution as soon as possible after April 1st, 1950.

This Consolidation will be the first complete published collection of statutory orders and regulations in readily accessible form. With the Statutes of Canada, to which it is complementary, it will provide an authoritative presentation of Parliamentary and delegated legislation. Most of the orders and regulations contained in the Consolidation have been revised during the last few years. The next Consolidation will not be published until 1955.

Statutory Orders and Regulations, Consolidation, 1949, will be published in about six volumes, including an index. It is estimated that the price of the complete Consolidation will be approximately fifteen dollars, the price to be charged for single volumes (if single volumes should be required) to be determined later. A further announcement will be made when the Consolidation is ready for distribution, and orders accompanied by remittances may then be forwarded to the King's Printer, Ottawa.

The attention of intending subscribers is called to the fact that all new statutory orders and regulations made subsequently to December 31st, 1949, and all amendments to existing orders and regulations after that date will continue to be published in Part II of the *Canada Gazette*. Subscribers to the Consolidation are therefore urged to subscribe also to Part II of the *Canada Gazette* from January 1st, 1950, in order that they may have in a convenient form all new orders and regulations and all amendments made after December 31st, 1949. Part II of the *Canada Gazette* is published on the second and fourth Wednesdays of each month and may be obtained from the King's Printer, Ottawa. The subscription price is ten dollars a year.

DÉCRETS, ORDONNANCES ET RÈGLEMENTS STATUTAIRES

Codification, 1949

Une codification des décrets, ordonnances et règlements statutaires émis ou établis sous le régime des Statuts du Canada, laquelle renfermera tous les décrets, ordonnances et règlements statutaires en vigueur au 31 décembre 1949, est en voie de préparation et sera disponible pour fins de distribution aussitôt que possible après le 1er avril 1950.

Cette codification constituera le premier recueil complet de décrets, ordonnances et règlements statutaires, faciles à consulter. En harmonie avec les Statuts du Canada, dont elle sera le complément, la codification présentera, à titre officiel, les mesures législatives et administratives fédérales. La plupart des décrets, ordonnances et règlements que renferme la codification ont été révisés au cours de ces dernières années. La prochaine codification ne sera publiée qu'en 1955.

Les *Décrets, Ordonnances et Règlements Statutaires, Codification, 1949*, comporteront environ six volumes, y compris un index. On estime que le prix de la codification complète sera approximativement de quinze dollars; le prix exigé pour des volumes particuliers (si ces derniers étaient requis) sera déterminé plus tard. Un autre avis sera publié lorsque la codification sera prête pour distribution, et les commandes accompagnées de remises pourront alors être transmises à l'Imprimeur du Roi, Ottawa. Nous désirons attirer l'attention des souscripteurs éventuels sur le fait que tous les nouveaux décrets, ordonnances et règlements statutaires devenant exécutoires après le 31 décembre 1949, et toutes les modifications apportées aux décrets, ordonnances et règlements existant après cette date, continueront d'être publiés dans la Partie II de *La Gazette du Canada*. Nous prions donc les personnes qui achèteront la Codification de s'abonner à la Partie II de *La Gazette du Canada*, à compter du 1er janvier 1950, afin d'avoir, sous une forme commode, tous les nouveaux décrets, ordonnances et règlements ainsi que toutes les modifications exécutoires après le 31 décembre 1949. La Partie II de *La Gazette du Canada* paraît les deuxième et quatrième mercredis de chaque mois et les intéressés peuvent se la procurer en s'adressant à l'Imprimeur du Roi, à Ottawa. L'abonnement est de dix dollars par année.

107. All applications to Parliament for Private Bills, of any nature whatsoever, shall be advertised by a notice published in the *Canada Gazette*. Such notice shall clearly and distinctly state the nature and object of the application, and shall be signed by or on behalf of the applicants, with the address of the party signing the same; and when the applications is for an Act of Incorporation, the name of the proposed company shall be stated in the notice. In addition to the notice in the *Canada Gazette* aforesaid, a similar notice shall be given as follows:

2. *A Telegraph or Telephone Company*.—In a leading newspaper in the principal city or town in each province or territory in which the company proposes to operate.

3. A company for the construction of any works which in their construction or operation might specially affect a particular locality or for obtaining any exclusive rights or privileges, or for doing any matter or thing which in its operation would affect the rights or property of others.—In a leading newspaper in the particular locality or localities which may be affected by the proposed Act.

4. *A Banking Company; an Insurance Company; a Trust Company; a Loan Company or an Industrial Company*, without any exclusive powers.—In the *Canada Gazette* only.

5. And, if the works of any company (incorporated or to be incorporated) are to be declared to be for the general advantage of Canada, such intention shall be specially mentioned in the notice; and the applicants shall cause a copy of such notice to be sent by registered letter to the clerk of each county council and of each municipal corporation which may be specially affected by the construction or operation of such works, and also, to the Secretary of the Province in which such works are or may be located; and proof of compliance with this requirement by the applicants shall be established by statutory declaration.

B. When the application is for the purpose of amending an existing Act,—

1. For an extension of any line of railway, or of any canal; or for the construction of branches thereto.—The same *mutatis mutandis* as for an Act to incorporate a Railway or Canal Company.

2. For an extension of the time for the construction or completion of any line of railway, or of any canal, or of any telegraph or telephone line, or of any other works already authorized.—In a principal newspaper in the place where the head office of the company is, or is authorized to be.

3. C. All such notices, whether inserted in the *Canada Gazette* or in a newspaper, shall be published at least once a week for a period of four consecutive weeks; and when published in the Provinces of Quebec and Manitoba shall be in both the English and French languages; and marked copies of each issue of all newspapers containing any such notice shall be sent to the Clerk of the Senate, endorsed "Private Bill Notice", or a statutory declaration as to due publication may be sent in lieu thereof.

Every notice by registered letter shall be mailed in time to reach the Secretary of the Province and the clerk of each county council and municipal corporation not less than two weeks before the consideration of the petition by the Committee on Standing Orders; and a statutory declaration establishing the fact of such mailing shall be sent to the Clerk of the Senate.

108. No petition praying for the incorporation of a Railway Company, or of a Canal Company, or for an extension of the line of any existing or authorized railway or canal, shall be considered by the Standing Orders Committee, until there has been filed with the Committee a map or plan, showing the proposed location of the works, and each county, township, district or municipality through which the proposed railway or canal, or any branch or extension thereof, is to be constructed.

110. Petitions for private bills shall only be received by the Senate if filed with the Clerk of the Senate within the first six weeks of the Session, and every private bill originating in the Senate shall be presented to the Senate within two weeks after the petition therefor has been favourably reported upon by the examiner of petitions or by the Committee on Standing Orders, and no motion for the suspension of this standing order shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension.

114. Any person seeking to obtain a Private Bill shall deposit with the Clerk of the Senate, if it is intended that the Bill shall originate in the Senate, a copy of such Bill in the English or French language, with a sum sufficient to pay for the translation of the same by the officers of the Senate, and the printing of 600 copies in English and 200 in French. Form of a Bill to Amend an Act

60A. (1) In the preparation of Bills amending existing enactments the amendments shall not ordinarily be made by clauses which add or leave out words or substitute words for others, but by clauses which re-enact the section, subsection or other minor division, as it is amended.

(2) In the text of the Bill, on the left hand page, new matter shall be indicated by such typographical means as may best suit the varying circumstances of each case, such as brackets, italics, underlining, asterisks, etc. Opposite each clause, on the right hand page, the enactment amended thereby, or so much thereof as is essential, shall be printed with the proposed changes to be made therein similarly indicated.

(3) When a clause repeals an existing section, subsection or other minor division of a section, that section, subsection or division, or so much thereof as is essential, shall be printed opposite the clause.

(4) A memorandum by the draftsman explaining briefly the reason for each clause, shall be appended to the Bill, or distributed therewith. Whenever practicable the memorandum shall be printed on the right hand page of the Bill, in paragraphs opposite the clause referred to and numbered correspondingly.

(5) The above rules shall also as far as practicable apply to the reprinting of Bills.

L. C. MOYER,
Clerk of the Senate.

TERMS

(1) Except where otherwise stated herein and in the tariffs, the full amount of the licence fees shall be payable in advance of the period licensed. Where the fee for a twelve months' period of operation is \$40 or more, the fee may be paid in equal instalments, quarterly or half yearly. Fees payable by radio broadcasting stations shall be payable monthly in advance.

(2) All overdue fees, after sixty days from the date upon which the Association has posted in the ordinary course of mail a notice in writing addressed to the person from whom the fee is claimed, specifying the amount of the fee claimed, shall be subject to an extra payment of ten per cent and to such other remedies as the Association may be entitled.

(3) The fee for a licensed period shall be based on the extent of musical performances to take place during the licensed period, as stated by the Licensee in his form of application for licence. In the event of the extent of musical performance, as therein stated, being exceeded at any time, the Licensee shall promptly notify the Association thereof and pay the additional fee for such excess, in accordance with the Association's tariffs. Should the Licensee fail so to notify the Association, or fail to make payment of such additional fee, then, (a) all moneys paid on account of the then current licence period shall be applied by the Association on account of the licence fee due in accordance with such increased extent of performance, and (b) the period licensed shall be deemed to be that part period for which the moneys paid are sufficient fully to satisfy licence fees at the approved Tariff rate, (c) the licence may be cancelled by the Association after thirty days from the date upon which the Association has posted, in the ordinary course of mail, a notice in writing addressed to the holder of the licence, advising him of the Association's intention to cancel the licence. The Association, in the said notice, shall specify the amount of the additional fee claimed and if the holder pays to the Association the additional fee so claimed within the said period of thirty days, the proposed cancellation shall not go into effect.

CONDITIONS

(1) A moins qu'il n'en soit autrement spécifié dans les présentes et dans les tarifs, le plein montant des droits de licence est payable d'avance pour la période autorisée. Lorsque la redevance pour une période d'activité de douze mois est de \$40 ou plus, elle peut être payée en versements égaux soit trimestriellement, soit semestriellement. Les redevances des stations radiophoniques doivent être acquittées d'avance tous les mois.

(2) Toutes les redevances échues, soixante jours après la date à laquelle l'Association a déposé à la poste régulière un avis par écrit, adressé à la personne dont on réclame la redevance, en en spécifiant le montant, seront sujettes à un paiement supplémentaire de dix pour cent et à tous autres recours auxquels l'Association peut avoir droit.

(3) La redevance pour une période autorisée sera basée sur l'étendue de l'exécution des œuvres musicales à produire pendant la période autorisée, tel que déclaré par le titulaire dans sa demande de licence. Dans le cas où l'exécution d'un programme musical excédera le temps spécifié dans la demande, le titulaire devra en avvertir immédiatement l'Association et payer la redevance supplémentaire pour le temps dépassé, conformément aux tarifs de l'Association. Si le titulaire néglige de donner à l'Association un avis de ce genre ou de payer la redevance supplémentaire susdite, alors a) tout l'argent payé sur la licence pour la période courante sera appliqué par l'Association comme acompte sur la redevance pour la licence due en conformité du surtemps exigé pour l'exécution, et b) la période autorisée sera censée être la partie de la période pour laquelle l'argent payé suffit amplement à couvrir les redevances de la licence suivant le tarif approuvé; c) la licence peut être annulée par l'Association trente jours après la date à laquelle l'Association aura déposé à la poste régulière un avis par écrit adressé au détenteur de la licence pour l'avertir de l'intention de l'Association d'annuler sa licence. Dans ledit avis l'Association spécifiera le montant de la redevance supplémentaire réclamée et si le titulaire paie à l'Association, dans un délai de trente jours, la redevance supplémentaire ainsi réclamée, l'annulation proposée ne prendra pas effet.

SCHEDULE "A"

Note.—The schedule of fees payable by the radio broadcasting stations listed therein is calculated on the basis of distribution of sets in the various broadcasting centres which was used as the basis for computing charges under the Tariff filed by the Canadian Performing Right Society Limited now known as Composers Authors and Publishers Association of Canada Limited, on the 30th January, 1935, as revised by the Governor in Council on the 9th September, 1936, and on the evidence submitted to the Board in respect to the advertised schedule of performing hours by the various radio broadcasting stations.

TABEAU "A"

NOTA.—Le présent tableau des honoraires payables par les postes de radiodiffusion y énumérés repose sur le nombre d'appareils récepteurs distribués dans les divers centres de radiodiffusion auquel on a eu recours pour faire le calcul des droits à payer en vertu du tarif déposé par la *Canadian Performing Right Society Limited*, présentement connue sous le nom de *Composers Authors and Publishers Association of Canada Limited*, le 30 janvier 1935, tel que révisé par le Gouverneur en conseil le 9 septembre 1936, et sur les dépositions faites au Tribunal relativement au tableau des heures d'exécution annoncé par les divers postes de radiodiffusion.

SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada*, comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. Une compagnie de chemin de fer ou de canal—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. Une compagnie de télégraphe ou de téléphone—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet l'exécution d'entreprises dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des droits ou privilèges exclusifs ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt ou compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement.

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis, et les requérants doivent adresser une copie de cet avis, sous pli

recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle ces entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention: "Avis de bill privé"; au lieu de journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examineur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension

du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui rééditent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas: crochets, italiques, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill ou la partie importante de ce texte doit être imprimé, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimé en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES
TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncé par

avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ces ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal; cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté.

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province ou territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé, il est publié un avis à l'endroit où se trouve le siège social de la compagnie

et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs, ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition, l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre, si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examineur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement de voie ferrée ou de canal, ne sera prise en considération par l'examineur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre,

au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et avant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

a) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache	\$ 100
b) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session	100
c) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session	200
d) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas \$250,000....	100
e) Lorsque le capital-actions projeté d'une compagnie dépasse \$250,000, mais n'est pas supérieur à \$500,000.....	200
f) Lorsque le capital-actions projeté d'une compagnie dépasse \$500,000, mais n'est pas supérieur à \$750,000.....	300
g) Lorsque le capital-actions projeté d'une compagnie dépasse \$750,000, mais n'est pas supérieur à \$1,000,000.....	400
h) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,000,000, mais n'est pas supérieur à \$1,500,000.....	600
i) Lorsque le capital-actions projeté d'une compagnie dépasse \$1,500,000, mais n'est pas supérieur à \$2,000,000.....	800
j) Pour chaque million de dollars de capital-actions additionnel ou fraction de million	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à déboursier est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) a) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

b) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand le bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas b) et c) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examineur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type, ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE OU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

THE TARIFF BOARD REFERENCE No. 108

Cameras and other photographic accessories and equipment

THE public hearing held on the 31st ultimo adjourned in order that a committee representative of the interests concerned might consider in detail certain suggestions that had been advanced relative to a proposed revision of the relevant tariff item (462a) and related items.

The Tariff Board has now received from the committee referred to a Report which cites the following as a proposed basis of re-wording of the tariff item or items:

"Cameras and complete parts thereof for making negatives and positives 3½ inches by 4½ inches and larger, and the following accessories therefor: lenses, shutters, coupled range finders, film and plate holders, magazines, lens boards, ground glass carriages, reducing backs, reversible adapter backs, lantern slide attachments, film sheaths, combination paper and plate holders, carrying cases, camera stands, camera tripods having a value for Customs purposes not under \$35.00, colour filters and holders therefor, polarizing screens, polarizing

screen holders 2 inches in diameter or larger, contact printers and projection printers commonly known as enlargers, with colour heads "cold light" or other light source attachments and complete parts thereof, enlarging easels and stands of a maximum printable size 8 inches by 10 inches or over, temperature controls and heaters for photographic solutions, film and print driers, including motive power therefor, mounting presses, print washers, film and print trimmers 10 inches and larger, automatic film and paper processors, print straighteners, photographic timing devices electrically or electronically operated, densitometers, printing frames, tanks and trays for multiple negative and positive processing, and electronic high speed flash equipment when for synchronization with cameras.

—Duty free under all tariffs.

"The wording of this item eliminates any distinctions as to the end use of the goods or their "made-in-Canada" status, and this should simplify the administration of the item. To the best of our knowledge all these goods are of a class or kind not presently made in Canada.

"The suggested tariff item omits certain equipment presently classified under the present Item 462a, and this equipment we understand will be classified automatically under Tariff Item 462(i) and 462(ii). At present lighting equipment and flash bulbs, which are strictly photographic items, are classified for duty under other items of the Customs Tariff, viz: lighting equipment and parts thereof, flash guns and photographic flash bulbs (including bulbs for Strobolytes) and photographic lamps. We recommend that these be rated for duty under Tariff Item 462(i)."

Notice is hereby given that the Report of the Committee will be received and considered at a public hearing to be held in *Board Room, 4th Floor, Confederation Building, Ottawa, on Thursday, February 23rd at 10 a.m.*, at which all interested parties may discuss the recommendations of the Committee as well as matters arising therefrom or relating thereto.

JAMES R. MacGREGOR,
Secretary.

THE TARIFF BOARD REFERENCE No. 109

Inquiry respecting so-called "Plastics", including synthetic resins

ON March 22nd last, the Minister of Finance directed the Tariff Board to conduct an inquiry in respect of the products covered by the general description above quoted, with a view to the creation of a revised and comprehensive schedule for inclusion in the Canadian Customs Tariff.

Preliminary investigation by the Board has revealed the advisability of having the relevant existing tariff items clearly indicated, in order that the scope of the inquiry may be understood by all interested parties. Accordingly, the Minister of Finance, under date of the 11th inst., has informed the Board as follows:

"An examination of the Customs Tariff would indicate that your Board should confine its inquiry to the following Items of Schedule "A" of the Customs Tariff, which I have endeavoured to classify under the following headings:

"I. Tariff Items directly related to synthetic resins and plastics which will presumably be replaced by a new schedule of Items. These Items are:

231d	237(d)	238d	216d	237(f)
237(a)	238a	238e	216e	833
237(b)	238b	238f	216f	
237(c)	238c	238g	231e	

II. Tariff Items that might be reviewed in so far as they cover certain materials which should be provided for under one or other of the Items in the new schedule. These Items are:

192	248	326a	555	681
199	249	509	567a	711
208t	254	532	664a	et al
220a	269(ii)	548	666	

III. Tariff Items that might be taken into consideration when your Board is drafting its new schedule of Items. These Items are:

238i	654a	739	805	557b
446(f)	731	761	822	558d
				et al

It may be necessary, as your inquiry progresses, for your Board to take cognizance of Tariff Items not specified in any of the three categories listed above."

Notice is hereby given that a public hearing will open at 10 a.m. on March 20, 1950, in the Board Room on the 4th floor of the Confederation Building, Ottawa. Notification as to the dates of subsequent public hearings will follow in due course.

Secretary.

CHAMBER OF THE SENATE,

Ottawa, Thursday, February 16, 1950.

THIS day at three o'clock, p.m., His Excellency the Governor General proceeded to the Chamber of the Senate in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency the Governor General was pleased to command the attendance of the House of Commons, and the House being present, His Excellency the Governor General was pleased to declare the causes for the summoning of the Second Session of the Twenty-first Parliament of Canada with the following Speech:

Honourable Members of the Senate:

Members of the House of Commons:

The conference with representatives of the provincial governments forecast in my speech closing your last session was held in January. This conference marked a promising beginning in working out a satisfactory procedure for making within Canada whatever amendments to the constitution may from time to time be required. Agreement was reached on certain general principles and a continuing committee was established to further the work of the conference.

The governments of all the provinces have also been invited to participate in a general conference between the federal and provincial governments early next autumn to consider other matters of mutual concern. The several provincial authorities have been asked to make suggestions as to the principal topics they will wish to have discussed at this conference.

In the meantime negotiations are proceeding with the provincial governments for the implementation of the legislation adopted at your last session respecting housing, a transcontinental highway and forest conservation.

The National Health Programme has been extended to the Province of Newfoundland and further satisfactory progress has been made, in co-operation with the provinces generally, in the development of more adequate health facilities and services.

In the international sphere, our country continues to give full support to the Charter of the United Nations. A Canadian delegation is now attending a session of the Economic and Social Council to which Canada was elected at the last session of the General Assembly.

The recent conference in Ceylon of the Foreign Ministers of the nations of the Commonwealth demonstrated that there is a continuing and substantial community of outlook among the nations of the Commonwealth both in the East and the West in their approach to current problems of foreign affairs.

The measures for the preservation of peace and the restoration and maintenance of prosperity contemplated by the North Atlantic Treaty are being devised and applied as expeditiously as circumstances permit. The wholehearted co-operation of all the signatories to the Treaty is encouraging evidence of their determination to deter aggression by a combination of actual and potential strength calculated to remove the possibility of successful aggression.

The cold war nevertheless still continues and imposes on all the free nations heavy burdens for the provision of defence forces and modern armaments. Preparedness to meet any sudden onslaught is essential and the means must be provided. But the free nations also face a test of endurance, and our staying power could be endangered by attempting to achieve complete preparedness at the expense of our adaptability to new developments in weapons

and techniques of warfare or the efficiency of our social and industrial systems.

In the development of Canada's defence forces, constant attention is being given to the best use of our resources, to the encouragement of joint research and experimental development and to the co-ordination of Canadian efforts with those of the other signatories of the North Atlantic Treaty.

The measure to consolidate existing legislation respecting our defence forces and to provide for a purely Canadian disciplinary code to be made applicable to all the forces will be re-introduced.

Employment and prosperity remain at a high level in Canada. The prospects are good for continued private investment in construction and capital development throughout the present year. The demand for consumer goods of all kinds continues to be strong. However, seasonal and local factors have given rise to a significant amount of temporary regional unemployment during the past few months and the security provisions established under unemployment insurance legislation have been called upon to meet the first important test since they were brought into effect.

Although a high proportion of persons temporarily unemployed are actually in receipt of Unemployment Insurance benefits, you will be asked to give consideration to a Bill to widen the scope and extend the benefits of Unemployment Insurance.

Circumstances outside Canada have been responsible for some downward adjustment in the price of farm products. Measures have already been taken to reduce the impact of these adjustments. In order to provide authority for continuing price support to that end for the primary products of our farms and fisheries, you will be asked to amend the Agricultural Products Act, the Agricultural Prices Support Act and the Fisheries Prices Support Act.

Within the past year, the International Wheat Agreement has been brought into operation. In view of Canada's participation in that Agreement and the recent decision to market coarse grains through the Canadian Wheat Board, you will also be asked to consider a measure to renew the existing powers of the Board.

During the past year Canadian exports were maintained at close to record levels, but continued difficulties arising out of the world-wide dollar shortage have resulted recently in reduced purchases of a number of our export products.

Canadian representatives continue to participate actively in co-ordinated international efforts to bring about improvement in the underlying conditions of world trade. The government is also pursuing policies designed to develop new markets for our products and to assist overseas customers to increase Canadian earnings. My Ministers will continue their efforts to secure reductions in trade barriers. To this end preparations are actively under way for further multilateral trade negotiations later in the present year.

While prevailing exchange difficulties will require continued readjustments, we have reason to expect that our export trade as a whole will remain at a high level during the present year.

You will be asked to give consideration to the legislation required to implement the policy concerning the control and the orderly decontrol of rents announced by the government during your last session.

A measure will be introduced to amend the Canada Shipping Act to incorporate changes suggested by the Safety of Life at Sea Convention of 1948 and to define duties of Canadian Consuls and conditions of registration in Canada of Canadian ships.

You will be asked to consider a Bill for the revision of the Indian Act.

A Bill will be submitted to substitute a uniform and systematic procedure for existing legislation concerning publication and tabling in Parliament of regulations and orders made by the Governor in Council or Ministers or other agents of the Crown in the exercise of powers conferred by statute.

Bills will be introduced to implement the policies announced at the last session respecting prize money; the inclusion of veterans of British and allied forces within the scope of the War Veterans Allowance Act; and grants to municipalities in which there is an exceptional concentration of federal property.

BANK OF CANADA
ANNUAL REPORT TO THE MINISTER OF
FINANCE

Ottawa, February 11, 1950.

The Hon. D. C. ABBOTT, K.C.,
Minister of Finance,
Ottawa.

Dear Sir,

In accordance with the provisions of the Bank of Canada Act Amendment Act, I am enclosing herewith in duplicate a statement of the Bank's accounts for the fiscal year 1949, signed by the Governor and the Chief Accountant, and certified by the Auditors, in the form prescribed by the by-laws of the Bank.

Before proceeding with the report which accompanies this statement, I wish on behalf of the Board of Directors to record their deep regret upon the death of their colleague, Mr. J. L. Holman, which occurred in 1949. Mr. Holman, prominent in the

business life of Prince Edward Island, was appointed a Director in 1936, and gave us valued advice and assistance throughout the period of his association with the Bank.

The major changes which took place in our accounts during the course of the year are referred to on pages 23 and 24 of this Report. Before dealing with the effect of these changes on the cash reserves of the chartered banks, I shall give a general review of monetary conditions during 1949.

MONETARY CONDITIONS

The most important liquid assets of the general public are the active categories of bank deposits and currency which make up Money Supply, inactive notice deposits, and Government securities. Each of these factors has a bearing on the monetary situation. The following table summarizing the figures shown in Appendix B of this Report, indicates that there was some decline in the aggregate of these liquid assets during 1949.

INCREASE OR Decrease IN GENERAL PUBLIC ⁽¹⁾ HOLDINGS OF CERTAIN LIQUID ASSETS
(Calendar Years, in Millions of Dollars)

	1948	1949 ⁽²⁾
Money Supply.....	391	46
Inactive Notice Deposits.....	265	296
Gov't of Canada Securities.....	471	196
Refundable Tax.....	85	286
TOTAL.....	100	140

An over-all change in the above liquid assets is determined by the change in banks' loans and non-Government investments, by Government's over-all cash surplus or deficit and by any change in outstanding Government guaranteed securities.

In comparison with other post-war years, the increase in chartered bank loans and non-Government investments in 1949 exercised much less upward influence on the public's liquid assets. After making an approximate adjustment to include Newfoundland for the full year, the rise in total loans and non-Government securities during 1949 was \$49 millions as compared with \$257 millions in 1948 and \$777 millions in 1947. Of this increase during 1949, \$17 millions represented a net increase in securities of and loans to provincial and municipal governments and about \$31 millions was in call loans to brokers and dealers in securities; since there was also some increase in the categories of personal loans and advances to farmers, there appears to have

been some decline in loans and securities of industrial and commercial borrowers in 1949.

The Bank suggested to the chartered banks in February, 1948, that conditions prevailing at that time made it undesirable for capital expenditures to be financed through expansion of bank credit. In February, 1949, the Bank withdrew this suggestion to the banks on the grounds that a somewhat smaller physical volume of business capital expenditure was in prospect. During 1949 there was a decline of \$68 millions in chartered banks holdings of corporate securities. I believe that this decline has been chiefly the result of serial repayments by borrowers who sold securities to the banks in earlier years.

In the Annual Report for the year 1947, I referred to the important extent of the chartered banks' participation in the market for non-Government securities in 1945, 1946 and 1947. The situation has been quite different in 1948 and 1949, when other investors have absorbed almost all the large net issue of non-Government securities.

⁽¹⁾ "General" public is here defined as all investors except banks and Government accounts. It includes life insurance companies and all other corporate as well as individual holders.

⁽²⁾ Approximate adjustments have been made to include chartered banks' Newfoundland operations in Canadian statistics during the whole of 1949.

⁽³⁾ Source: Appendix A. The table understates the total volume of net new issues of these securities in the Canadian market by the amount of the net reduction of foreign holdings of such securities through retirement or refunding.

The increase in bank loans and non-Government investments had an upward influence on the public's total liquid asset holdings, but this was more than offset by the Government's overall cash surplus during 1949. The budgetary surplus of the Government amounted to \$284 millions during the calendar year 1949, a decline of \$356 millions as compared with 1948. But, as a result of the smaller amount of non-budgetary funds required, the Government's overall surplus in 1949 was \$288 millions as com-

pared with \$205 millions in 1948. The chief reason for the smaller non-budgetary requirements in 1949 was the decline in the amount of funds needed to finance the accumulation of foreign exchange by Foreign Exchange Control Board, partly owing to the decrease in Canada's export trade balance. The following table summarizes the principal budgetary and non-budgetary items in the Government's financial operations during the past three calendar years.

GOVERNMENT OF CANADA RECEIPTS AND Payments
(Calendar Years, in Millions of Dollars)

	1947	1948	194 ^o

NON-BUDGETARY ITEMS

Other Items (net).....	5	211	236
OVER-ALL SURPLUS AVAILABLE FOR DOMESTIC DEBT RETIREMENT (NET).....	963	205	288

The figures in the foregoing table are shown on a calendar year basis rather than for Government fiscal years which end on March 31st, because related statistics in this Report refer to the calendar year. It is expected that the budgetary surplus for the fiscal year 1949/50 will be considerably less than the amount of \$284 millions shown above for the calendar year 1949.

In addition to the overall surplus amounting to \$288 millions as shown in the above table, Government had other sources of cash for the retirement of domestic debt in 1949. These were the sales of securities by Securities Investment Account which declined \$487 millions during the year and a reduction in the Government's cash balance. As a result, the Government was able to reduce the outstanding direct domestic funded debt by approximately \$900 millions, of which \$286 millions represented the repayment of refundable taxes.

The amount of Government securities available for banks and public investors did not decline to anything like the same extent as the reduction in outstanding security issues because the sales by Securities Investment Account referred to in the preceding paragraph put securities into the market.

So far as public investors were concerned, life insurance companies' holdings of all Government direct and guaranteed securities declined by \$127 millions while "all other" investors holdings declined

by \$68 millions in 1949 as compared with \$438 millions during 1948.

The banking system (Bank of Canada and chartered banks) purchased somewhat more Government securities during 1949 than the amount of its own holdings of maturing issues with the result that there was an increase of \$149 millions in total banking system holdings of Government direct and guaranteed securities during 1949. In the case of the Bank of Canada there was a decrease of \$4 millions while chartered bank portfolios rose \$153 millions.

After making an adjustment to include Newfoundland deposits for the full year, total Canadian deposits of the chartered banks increased by \$161 millions during 1949. This expansion was considerably more than accounted for by the rise of \$296 millions in the inactive notice deposits, active deposits of the public and Government balances being down about \$135 millions on the year. Chartered bank's cash reserves increased by \$15 millions during 1949 as shown in the following table and the December 31, 1949 ratio of cash reserves to total Canadian deposits at 10.3 per cent was the same as the previous year-end. On a daily average basis, however, the cash ratio was lower in 1949 than in 1948 being 9.9 per cent in December as against 10.3 per cent in the same month of 1948 and 10.4 per cent for the year 1949 as compared with 10.7 per cent on the average in 1948.

SECURITY MARKETS

The accompanying chart shows the change in yields on long term bonds of the Governments of Canada, United States and United Kingdom. In the case of Canadian and United States markets, the change in yields over the year as a whole was of approximately the same degree. The United Kingdom market, however, followed a very different pattern.

After showing little change in the first half of 1949, prices of Government of Canada long term bonds began to rise in July. The movement reached a peak in late October when the price of the longest fixed term issue (maturing in 1966) had moved up about 2½ points from the mid-year level. During the last two months of the year there was a decline of about ½ point in price and the yield on the issue referred to was 2.72% at the year-end compared with 2.93% at December 31, 1948. In the United States the yield on the 2½% U.S. Government issue due December 15, 1967/72 declined by .23% during 1949, i.e. from 2.47% to 2.24%. In the course of 1949, the spread in yield between long and short term maturities became narrower than for many years both in Canada and the United States.

United Kingdom gilt-edged issues declined substantially in the second quarter of the year, yields on long dated issues increasing as much as ¾%. Wide price swings continued from mid-August to the year-end with closing prices considerably above the lows for the year. Savings Loan 3's due 1965/75 yielded 3.39% at December 31, 1949, more than ½% higher than at December 31, 1948.

In the first half of 1949 the chartered banks were substantial net buyers of Government bonds. However, during this period the available supply of such securities for banks and other investors increased by about the same amount through net sales by Securities Investment Account. In the third quarter of the year bank buying continued although their average cash ratio was declining, and net sales by Securities Investment Account dropped off. In October and November there was the maturity and call of three bond issues totalling about \$882 millions which was met to the extent of only \$300 millions by the proceeds of a short term bond issue sold to Bank of Canada and the chartered banks, the balance of funds required being provided by Government cash resources and sale of Canada Savings Bonds. During the final quarter of the year there was no appreciable net buying or selling by the chartered banks or Securities Investment Account.

Sharply increased net borrowing by provincial authorities and to a lesser extent by municipalities was successful. Private corporations raised a somewhat smaller amount than in 1948 through bond and stock issues. In the corporation field an outstanding feature in 1949 was the volume of new financing undertaken by those interested in the development of the western oil fields.

The third series of Canada Savings Bonds remained on sale until the end of August, 1949. Sales during 1949 totalled \$21 millions, making total sales of this issue \$260 millions. The fourth series was offered in October and by the end of December about 950,000 individuals had subscribed for a total of \$293 millions. Total sales of Canada Savings Bonds during the year, less redemptions, were \$142 millions and at the end of the year the total outstanding of the four series of Canada Savings Bonds was \$919 millions.

It is evident that more and more Canadians are using this method of saving. Sales under the Payroll Savings Plan totalling \$140 millions exceeded by 20 per cent the new post-war record established a year ago. Those who have been regular buyers each year are steadily increasing the amount of their purchase.

This year an even greater number of employers than previously made the facilities of the Payroll Savings Plan available to their employees, and took a personal interest in ensuring that all their employees were given full opportunity to take advantage of the Plan. Such wholehearted support by employers is of great value. I also wish to record again our appreciation of the energetic, determined effort contributed by the members of the investment industry who constitute the field service organization for the Payroll Savings Plan.

DOMESTIC ECONOMIC CONDITIONS (4)

In 1949 external influences did not add as much to the pressure of demand on Canadian resources as had been the case in 1948. The physical volume of our exports declined about 3 per cent in 1949 as compared with 1948. Imports on the other hand were about the same in physical volume as compared with 1948.

The export price factor on the average appears to have been about 3 per cent higher than in 1948 and the import price factor also about 3 per cent higher. The dollar values of our exports, imports and trade balances with various groups of countries in 1948 and 1949 were as follows:

(4) Newfoundland figures have not been included in 1949 statistics unless there is a specific reference to that effect.

Changes in exports and imports, and the other categories of expenditure on Canadian resources are shown in the following table. Estimates of changes from 1948 to 1949 in terms of average price factors and physical volume should be regarded as approximate only.

During 1949 it would appear that the physical volume of consumer purchases of goods and services increased about 2 per cent over 1948, gross private capital investment by 9 per cent and governments' expenditures on goods and services by 9 per cent. Consumer demand was stimulated during the first part of 1949 by reason of certain special cash receipts in the form of the repayment of refundable taxes and distribution of grain participation payments and by the reduction in income taxes. As in 1948 the emphasis in private capital investment tended to shift towards housing and utilities and away from industrial plant and equipment.

The increase in the physical output of all goods and services in 1949 seems to have been nearly 3 per cent. Industrial production rose slightly less than 2 per cent, agricultural output was down about 9 per cent but it would appear on the basis of the number of persons employed that there was a fairly sharp increase in the output of service industries.

The labour force again increased by about 2 per cent during 1949.

During 1949 acute shortages of labour were not nearly so apparent as in recent years. Unemployment increased somewhat from the very low level of 1948 but the general employment situation was good by peace-time standards, although there were undoubtedly some difficult situations in particular localities and industries.

Changes in the principal Canadian price and earnings indexes over the past year are shown in the following table. The statistics indicate that on the whole the price level at the end of 1949 was not much changed from the previous year-end and that there was a relatively small further increase in the rate of earnings. However, because of the increases which took place in prices and earnings during 1948, both series show an appreciable increase in 1949 compared with the average for 1948.

UNITED STATES CONDITIONS

In the final quarter of 1948 the aggregate demand for U.S. goods and services had appeared to be levelling-off, industrial activity had ceased to rise and some decline in price levels took place. Purchases by business were running at a rate well in excess of their sales, leading to a considerable growth in inventories, but in the first half of 1949 there was a sharp decline in the level of such purchases. By June the industrial production index had declined 12 per cent from December 1948, wholesale prices were down 5 per cent and consumer prices down 1 per cent.

During this period, however, demand for finished goods and services was well maintained. Investment in plant, equipment and housing declined only slightly. Exports which had been falling through

1948, levelled off in the first half of 1949, and government expenditures on goods and services continued to rise. The decline in national income associated with the fall in production and prices was largely confined to the net income of business; personal incomes and consumer expenditures declined relatively little.

Since the level of consumption of finished goods and services had remained high, inventories were reduced fairly quickly. Business purchases of materials then increased, the industrial production index rose 5 per cent between June and December and the decline in the price level slowed down. An increase in housing investment in the last half of the year, offset the continued reduction in capital investment in machinery and equipment. Indexes of prices and average earnings showed the following changes during 1949.

COMPARISON OF CANADIAN AND UNITED STATES
ECONOMIC CONDITIONS

Changes in United States business conditions normally exercise a very strong influence on the Canadian situation. It is a matter of some interest, therefore, that there should have been such a sharp contrast between the trends evident in the two economies during 1949. Broadly speaking, Canada did not show any serious effects from the rather sharp recession which took place in the United States during the first half of 1949. During this period the seasonally adjusted index of industrial production declined 12 per cent in the United States

while the Canadian index rose slightly. Retail trade in Canada during the first half of 1949 continued to show appreciable gains over 1948 while United States retail sales were no more than holding their own in relation to the previous year. During the first half of 1949 United States wholesale prices and cost of living declined 5 per cent and 1 per cent respectively while the comparable Canadian indexes declined only 2 per cent in the case of wholesale prices and the cost of living index rose 1 per cent. Partly associated with the decline taking place in the level of inventories, United States banks' commercial loans declined 8 per cent in the first half of 1949—a period in which Canadian banks' current loans rose slightly.

⁽⁹⁾ Official Dominion Bureau of Statistics figures converted to the base 1948 Average=100.

⁽¹⁰⁾ Covers hourly rated wage-earners in manufacturing establishments with 15 or more employees.

⁽¹¹⁾ Official U.S. Bureau of Labour Statistics figures converted to the base 1948 average=100.

It would seem that part of the explanation for the difference in business trends during the first half of 1949 was the fact that the United States recession appeared to originate largely as an inventory adjustment and more or less remained confined to this sphere thanks to the well-maintained aggregate demand for goods and services in finished form to which reference has already been made in the United States section of this Report.

The continued high level of economic activity in Canada throughout 1949 can be attributed in part also to certain special factors in the domestic situation. The accumulation of wartime demands was worked off somewhat more slowly in Canada, partly because of the extent of our assistance to overseas countries, particularly in 1946 and 1947, and the limitations on imports in 1948 and 1949 which this has involved. The more gradual process of decontrol after the war period had the effect of spreading the upward pressures on prices over a longer period of time. Also the special additions to consumer purchasing power that occurred in Canada in the early months of 1949 and which have already been described, must have had a buoyant effect on the demand for goods and services. In addition to

these more or less temporary factors, there has been the strength imparted to the Canadian economy by the resource discoveries of recent years.

The pick-up in the level of United States economic activity during the latter months of the year, which was particularly evident in the level of industrial production, also had no counterpart in Canada. The result therefore, was to erase a considerable part of the divergence which appeared during the first half of the year.

PHYSICAL PRODUCTION AND CONSUMPTION: 1928-9
AND 1948-9

In last year's Annual Report I referred to the research work being carried on in Government departments in compiling statistics of changes in the physical volume of production and consumption. At that time we presented only the figures related to capital investment in 1947-8 as compared with 1928-9. In the following table we have brought this comparison up to date by comparing the average of the latest years now available—namely 1948-9—with 1928-9 and also included comparisons for other major categories of expenditure on goods and services.

ESTIMATED INCREASE IN PHYSICAL VOLUME OF EXPENDITURE ON GOODS
AND SERVICES IN 1948-9 AS COMPARED WITH 1928-9

Personal Consumption.....	82%
Gross Capital Investment (ex inventories).....	42
Government Expenditure.....	92
Exports.....	53
Imports.....	20
GROSS NATIONAL PRODUCT OR EXPENDITURE.....	80%

It will be noted in the foregoing table that imports have risen less than the other categories of expenditure. As a result, the domestic content of these expenditures has increased on the average while the average import content has declined. The increase in Canada's Gross National Product, therefore, reflects not only the increase in total expenditure on goods and services but also the higher domestic content of such expenditure in 1948-9 as compared with 1928-9.

The increase in the physical volume of consumption was of course associated with the increase in production which was about 80 per cent between 1928-9 and 1948-9 in spite of the fact that average hours worked per week must have declined over this period. Since there was an increase of 31 per cent in Canada's population, the rise in physical consumption per capita has been about 39 per cent. This increase over a twenty-year period was equivalent to a cumulative annual increase per capita of 1.66 per cent.

The statistics indicate that the rate of gross capital investment per capita did not increase more than 9 per cent between 1928-9 and 1948-9. To the extent that the stock of capital goods has increased, a larger annual amount of depreciation has been incurred so that net capital investment in 1948-9 may well have been less per capita than in 1928-9. On the whole, the record suggests—as one would expect—that an appreciable part of the increase in physical output per capita in 1948-9 as compared with 1928-9 has been the result of increasing productive efficiency and more intensive use of plant and equipment.

CHANGES IN BANK OF CANADA ACCOUNTS

I turn now to the changes which took place in the Bank of Canada's accounts during 1949, on which it is customary to comment in this Report.

FORM OF STATEMENT OF ASSETS AND LIABILITIES

Under an agreement between the Bank of Canada and the Foreign Exchange Control Board which had been entered into with the approval of the Minister of Finance in 1941, the Bank had been acting for the Board in the capacity of an agent in holding the foreign exchange reserves of Canada. In March, 1949, the Bank began to act for the Board in its normal capacity as banker. The Board continued to hold the bulk of its reserves in the form of gold and securities as provided under the Foreign Exchange Control Act and to carry working balances with the chartered banks as in the past. But balances of foreign currency carried with the Bank of Canada were included in the Bank's statement of assets and liabilities under appropriate headings approved by the Governor in Council. This revision explains the increase of \$79.2 millions which took place on both the asset and liability sides of our statement in 1949 under the headings of Foreign Exchange and Other Securities in Assets and foreign currency liabilities in the Liabilities.

NOTES IN CIRCULATION

The Bank of Canada note issue at December 31, 1949, was \$1,307,424,146, an increase over the year of \$18,343,813, as compared with the increase of \$77,729,948 during 1948. Of the total amount of our notes outstanding \$1,095.7 millions were held by the public and \$211.8 millions by the chartered banks. The decrease in notes held by the public was \$2.6 millions in 1949. During the year chartered bank notes outstanding declined about \$2.3 millions.

INVESTMENTS

The Bank's holdings of Government of Canada and Provincial government securities were \$2,009,231,066 at December 31, 1949, having decreased by \$3,515,089 during the year.

PROFIT AND LOSS

The net profit from our operations in 1949, after providing for contingencies and reserves, was \$20,667,378.11. Payment of a dividend of \$225,000 on capital stock held by the Minister of Finance left \$20,442,378.11 available as compared with \$19,107,147.20 in 1948. Under Section 31(c) of the Bank of Canada Act, the whole of this surplus was paid to the Receiver General and placed to the credit of the Consolidated Revenue Fund.

BANK RATE

The Bank rate remained unchanged during 1949 at $1\frac{1}{2}$ per cent. As in previous years, banks had little occasion to borrow from us.

STAFF

Mr. Donald Gordon, who had been Deputy Governor since 1938, left the service of the Bank on December 31 last to become Chairman of the Board and President of the Canadian National Railways. In regretfully accepting his resignation the Board recorded their appreciation of the great services rendered by Mr. Gordon. He joined the Bank when it was in the process of being organized,

and from that time on made an invaluable contribution to our activities. I would like to take this opportunity to express my deep personal appreciation of Mr. Gordon's support and co-operation during the years that we were colleagues in the Bank.

The Board of Directors appointed Mr. J. E. Coyne to the office of Deputy Governor for a period of seven years, commencing January 1, 1950. This appointment was approved by the Governor in Council. Since joining the Bank in 1938, Mr. Coyne has had a wide variety of experience in our service. In recent years he has acted as Executive Assistant to the Governors, and Securities Advisor. I welcome him as a colleague in the position of Deputy Governor.

The staff of the Bank numbered 1,396 on December 31, 1949, compared with 1,382 on the same date a year ago. Small increases in some departments were almost fully offset by decreases in others.

I would like to express my appreciation to the staff for the high quality of service and co-operation throughout the year.

Yours very truly,

G. F. TOWERS,
Governor.
